3. METERED USE SERVICE (Cont.).56 Option CCC (Basic Calling Plan G)¹

Service Commission

Basic Calling Plan G is an outbound and inbound service available to residential customers who enroll in a participating affinity program. Basic Calling Plan G includes a block of time structure with a flat rate structure for Dial 1 calls made outside the block-of-time allotment, and a flat rate structure for card and P800. No term plan options will apply to this service. All intrastate Dial-1 calls and calling card calls will have 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent. A monthly charge will apply to this service.

For purposes of this plan, the following time of day rate periods apply: The Day rate period applies from 7:00 am to 6:59 pm Monday through Friday; and the Evening/Weekend rate period applies from 7:00 pm to 6:59 am Monday through Thursdays, and 7:00 pm Friday to 6:59 am Monday.

.566 Monthly Account Fees: Customers enrolled in this plan will be charged a \$10.95 monthly recurring charge.

.567 Access Methods and Charges:

.5671 Dial One Access: Basic Calling Plan G can be used for Dial One access. Customers will receive an allotment of up to 300 minutes per monthly period that may be used for interstate and intrastate (interLATA and intraLATA) Dial-1 usage made during the Day time period. Basic Calling Plan G customers will be charged the following rates for each minute of usage i) over the allotment or ii) made during the Evening or Weekend time periods. Customers may place these calls 24 hours a day and 7 days a week.

InterLATA & IntraLATA per minute charge: \$0.07

.5672 Calling Card:

Basic Calling Plan G calling card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Basic Calling Plan G customers will be charged a per minute rate of \$0.55 and a \$0.99 per call surcharge for all interLATA and intraLATA calling card calls, except that customers will be charged \$0.15 per minute for all time periods, and the Company will waive the per-call surcharge, for interLATA and intraLATA calling card calls which terminate to the customer's billed ANI.

3. METERED USE SERVICE (Cont'd).61 Integrated Calling Plan RZB-1 Service¹**Service Commission**

Integrated Calling Plan RZB-1 Service is available to Customers who enroll in Integrated Calling Plan RZB Service as described in this tariff who have two or more lines on their account.

Customers who subscribe to this service must 1) select and designate MCImetro Access Transmission Services, Inc., as its Local Exchange Carrier (LEC) and MCI WorldCom Communications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling, 2) subscribe to Residential RZB Service as described in this tariff, and 3) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and in the companion local exchange service described in MCImetro Access Tariff No.1.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion State Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data usage charge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

Customers will be charged a per-minute rate of \$0.07 for intrastate (interLATA and intraLATA) dial "1" usage. Qualified customers who are unable to use a telephone directory because of physical disabilities will receive a per-minute rate of \$0.05 for interLATA and intraLATA dial "1" calls only.

Member-to-Member Calling: Customers subscribing to this service may make dial "1" calls to other residential customers of local exchange service provided by MCImetro Access Transmission Service, Inc. The customer making the call will not be charged for the call.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Tariff No.1. All Intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Card Access: Calling Card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per-minute rate of \$0.35 and a per-call surcharge of \$0.75 applies.

¹Effective August 24, 2002, Integrated Calling Plan RZB-1 Service will no longer be available to new customers.

.61 Integrated Calling Plan RZB-1 Service (Cont'd)

Service Commission

The Company reserves the right to discontinue offering the service in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

This service is for use by residential customers. This is a long distance service offered in conjunction with MCImetro's RZB-1 local service. Some restrictions apply. Please refer to MCImetro Local Exchange Tariff No. 1 for those restrictions.

The Company reserves the right to convert a customer's service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with residential applications.

Monthly Recurring Charge: \$20.00

Termination:

For customers who disconnect their primary line either from interstate service under <http://www.mci.com/service/>, intrastate service under MCI WorldCom Communications Tariff No. 1, or Residential RZB Service under this tariff, and customer's additional line or lines remain on the account, then the Company will reclassify one of the additional lines as Customer's new primary line with Residential RZB Service.

Section C - Service Descriptions and Rates (Cont'd)3. METERED USE SERVICE (Cont'd).70 Business B1 Integrated Plan¹

Business B1 is an outbound and inbound multipoint service for single or multiple location customers. Customers may access the MCI network using Dial "1" or calling card origination and/or inbound service using Toll Free origination. No term plan options will apply to this service. Customers who subscribe to this service must 1) select and designate MCImetro as its Local Exchange Carrier (LEC) and MCI WorldCom as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling and 2) concurrent with enrollment in this plan, customers must also enroll in the companion local exchange service offered in MCImetro Access Transmission Services, LLC Tariff No. 1 and the companion service offered in <http://www.mci.com/service>. Calls are subject to a 30-second minimum initial period and are then rounded to the next higher 6-second increment, except for operator assisted calls which are calculated on a 60-second minimum duration basis with additional 60-second increments. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion Local Service. Customers may select one offering as described below. Additionally, customers will be charged the long distance rates as specified in the companion long distance service as set forth in <http://www.mci.com/service> and local exchange rates as described in MCImetro Access Transmission Services, LLC Tariff No. 1.

Customers may elect one of the Offerings available under this service:

Offering A:

For a monthly recurring charge as specified in this tariff, Customers will be charged \$0.069 per minute for interstate and intrastate (interLATA and intraLATA) dial "1" and toll free usage. Customers will also receive local exchange service as described in Offering A of Business B1 service as described in MCImetro Access Transmission Services, LLC, Tariff No. 1, and interstate service as described in <http://www.mci.com/service/>.

Offering B:

For a monthly recurring charge as specified in this tariff, Customers will receive an allotment of up to 200 minutes per month of interstate and intrastate (interLATA and intraLATA) dial "1" described in companion long distance service in <http://www.mci.com/service> and this plan. Customers having domestic service dial "1" in excess of this allotment will be charged \$0.069 per minute for interstate and intrastate (interLATA and intraLATA) dial "1" usage. For customers enrolling in this plan after the first day of a billing cycle, this allotment will be pro-rated for that billing cycle. When a call under this service begins prior to the completion of customer's allotment of 200 minutes and ends after completion of the allotment, the rate in effect for the portion of the call after the achievement of the allotment will be \$0.069 per minute. Customers will also receive local exchange service as described in Offering B of Business B1 service as described in MCImetro Access Transmission Services, LLC Tariff No. 1, and interstate service as described in <http://www.mci.com/service/>.

¹Effective January 18, 2003, Business B1 Integrated Plan, will no longer be available to new customers.

.73 Integrated RLC Service Cont'd)

The Company reserves the right to discontinue offering the service and grandfather existing customers on one day's notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications.

This service is for use by residential customers. The Company reserves the right to adjust a customer's service upon appropriate customer notification. If it is determined that usage is not consistent with residential voice applications, customers service may be assessed a \$50 monthly recurring data usage charge or disconnected.

Monthly Recurring Charge:

Zone 1	\$26.99	I
Zone 2	\$35.99	I
Zone 4	\$28.99	I

Termination:

The following provisions will apply to customers who continue to maintain a Company account and who do not elect to subscribe to other service offerings under this tariff:

- 1) For existing customers who disconnect only from Residential RLC Service under MCI Access Transmission Missouri P.S.C Tariff No. 1, the companion residential service offering under <http://www.mci.com/service>, Residential RLC Service under MCI Access Transmission Missouri P.S.C Tariff No. 1, and Integrated Calling Plan RLC service under this tariff will terminate. Customers will then be automatically re-subscribed to the service offering under this tariff and <http://www.mci.com/service> to which the customer was subscribed at the time of subscription to this plan.

¹This service is for voice use by residential customers. The Company reserves the right to adjust a customer's service upon appropriate customer notification. Usage for non-voice applications (e.g. dial-up internet service, fax service, etc.) is limited to 2000 minutes per month. If it is determined that non-voice usage exceeds these limits, the Company will notify the customers that the customer's usage exceeds the 2,000 minute allowance and give the customer one to two months to comply with the monthly allowance. If the customer remains out of compliance with the data usage limits, the Company may disconnect the customer's service after providing appropriate notice. The customer may continue to receive the service if he or she agrees to pay a \$50.00 monthly recurring data usage charge. The Company will abide by the Commission's notification of disconnect policies prior to disconnecting a customer in the event the customer refused to pay the \$50 monthly recurring data/internet usage charge.

Section C - Service Descriptions and Rates (Cont'd)3. METERED USE SERVICE (Cont'd).74 Integrated RLC-1 Service

Integrated Calling Plan RLC-1 Service is available to Customers who enroll in Integrated Calling Plan RZA Service, Integrated Calling Plan RZB Service, or Integrated Calling Plan RLC Service as described in this tariff who have two or more lines on their account.

Customers who subscribe to this service must 1) select and designate MCImetro Access Transmission Services, Inc., as its Local Exchange Carrier (LEC) and MCI MCI Telecommunications as both its Interexchange Carrier (IXC) for interstate and intrastate calling and as its intraLATA toll provider for intraLATA toll calling, 2) subscribe to Integrated Calling Plan RLA Service, Integrated Calling Plan RLB Service, or Integrated Calling Plan RLC Service as described in this tariff, and 3) concurrent with enrollment in this plan, customers must also enroll in the companion residential service offered in <http://www.mci.com/service> and in the companion local exchange service described in MCImetro Access Transmission Service Inc, Missouri Tariff No. 1

A monthly recurring charge will apply to this service. This charge is identical to and shall not be in addition to any monthly recurring charge applicable to companion Federal Service or to companion State Service. The following are not included in the monthly recurring charge: non-recurring charges, operator assistance, directory assistance, directory listing options, interstate line charge, data surcharge, blocking options, taxes, surcharges, per use charges and custom calling features not included in the companion local service.

For the purposes of this plan, the following definitions apply: new customers are customers, who, at the time of subscription to this plan, are not receiving service under MCImetro Access Transmission Service Inc, Missouri Tariff No. 1 and <http://www.mci.com/service>; and existing customers are customers, who, at the time of subscription to this plan, are receiving service under MCImetro Access Transmission Service Inc, Missouri Tariff No. 1 and <http://www.mci.com/service>.

New customers will receive Basic Calling Plan P service as described in this tariff. Customer will also receive the comparable interstate service described in <http://www.mci.com/service> for the above where applicable. All terms and conditions of any of these services selected by the customer, including applicable monthly recurring charges, will apply and will be in addition to Integrated RLC-1 Service as described herein. Existing customers will continue to receive the long distance service to which they were subscribed at the time of subscription to this plan.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Transmission Service Inc, Missouri Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

No Term Plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Transmission Service Missouri P.S.C Tariff No. 1. All intrastate Dial 1 and calling card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest cent.

Card Access: Calling card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per minute rate of \$0.35 and a per call surcharge of \$0.75 applies.

Directory Assistance: An undiscounted charge of \$0.95 per call will be applied to each Directory Assistance call.

Directory Assistance Call Completion: Customers may request the Directory Assistance operator to complete a call to the last number requested on that particular Directory Assistance call. The customer will be charged a usage rate in accordance with the service to which the customer is presubscribed for completed calls. An undiscounted charge of \$0.00 will apply.

The Company reserves the right to discontinue offering the service and grandfather existing customers on one day's notice to the Commission, in the event that 1) facilities are not available to the Company to adequately provide the service, and 2) such lack of facilities is the result of the failure of any carrier (from whom the Company is securing facilities to provide the service) to provide adequate service to the Company.

The Company reserves the right to disconnect customer's residential service or to convert any plan associated with such service to a business plan upon appropriate customer notification if it is determined that usage is not consistent with normal residential applications.

¹Effective June 1, 2005, Integrated Plan RLG will no longer be available to new customers.

Dial-1 Access: Integrated Plan RLK can be used for Dial-1 access. Customers will receive an allotment of up to 200 minutes per monthly period that may be used for interstate and intrastate (interLATA and intraLATA) dial-1 usage. Customers will be charged a per-minute rate of \$0.05 for each minute of interstate and intrastate (interLATA and intraLATA) dial"1" usage over the allotment.

No term plan options will apply to this service. Customers are subject to the terms and conditions as outlined in <http://www.mci.com/service> and in MCImetro Access Transmission Services Missouri, LLC Tariff No. 1. All intrastate Dial 1 and Calling Card calls will have a 60 second or one minute rounding. If the computed charge includes a fraction of a cent, the fraction is rounded down to the nearest whole cent.

Card Access: Calling card access is available from touch tone or rotary phones by dialing an MCI-provided toll free number and personal identification number (PIN) associated with the card. A per minute rate of \$0.35 and a per call surcharge of \$0.75 applies.

Directory Assistance: An undiscounted charge of \$0.95 per call will be applied to each Directory Assistance call.

Directory Assistance Call Completion: Customers may request the Directory Assistance operator to complete a call to the last number requested on that particular Directory Assistance call. The customer will be charged a usage rate in accordance with the service to which the customer is presubscribed for completed calls. An undiscounted charge of \$0.00 will apply.

Personal 800: This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these In-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature. A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls.

Follow Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow- Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make.

The following per minute rate will apply to all Personal 800 calls:
\$0.45 per min."
